

Data Protection

An adjustment/change of the platform is still possible for technical reasons. We will keep you informed.

You can, without giving any reasons, demand that your recording will be deleted. Write to icrc2021@desy.de or desyinfo-zeuthen@desy.de.
The data processed before we receive your request may still be legally processed.

GDPR: General Data Protection Regulation or the European Union

Extract from the registration form:

The ICRC 2021 is organized as an online conference. Every session and every talk will be recorded. Recordings and any materials uploaded by participants will be available to all other participants of the conference. Following the German and EU data protection laws, therefore, it is necessary to give your consent to use your personal data and your uploaded materials.

- √ **Privacy policy**
I have read and understood the privacy policy [<https://desy2021.welcome-manager.de/front/datenschutzerklaerung.php>] and agree to it.
- √ **Personal Data:**
 - Organisers of the ICRC 2021 can use my E-Mail address for conference related services (e.g. for communication and use in technical tools used at the conference)
 - My contact details and scientific interests (as given at registration) can be displayed on the Conference platform so that all participants of the ICRC 2021 can find my contributions and make personal contact.
 - Organisers of the next ICRC 2023 conference can contact me via E-Mail.
- √ **Recording:**
I have been informed that after the recording, I can, without giving any reasons, demand that my recording will be deleted. Write to icrc2021@desy.de or desyinfo-zeuthen@desy.de. The data processed before we receive your request may still be legally processed.

For presenter only:

- √ **Declaration copyrights:**
I confirm that I hold the copyrights and/or the necessary rights of use of the material shown.
- √ **Consent to recordings**
Hereby I consent to
 - the recording of my contributions to the ICRC2021 and
 - the use of all my uploaded conference materials, for conference purposes only.
 Authors retain ownership of all their contributions.
